Acknowledgment of Contributions – AbdurRahman Khawaja

This document serves as a record of AbdurRahman Khawaja's contributions to the [Project Name] repository before his withdrawal from ENSE 271. While his name has been removed from the public repository per Dr. Maciag's request, we acknowledge the work he completed during his time on the course.

Contributions:

- **AbdurRahman's Low fidelity** – [Prototype for the design of the website]
- **AbdurRahman's sitemap** – [Presented idea regarding layout of website]
- **Affinity map** – [Document for grouping ideas]
- **General Contributions** – [Planning, designing the marketing section in the high-fidelity prototype]
- **Needs chart** – [Table that lists requirements and challenges]

This log is maintained for internal records to ensure transparency regarding the development of our project.
